treasury by Treasurer Kepoikal.

The Hawaiian money will be redeemed as fast as possible, depending largely on the frequency of shipments of United States coins to Honolulu. As the Hawaiian dimes are now sold at a high premium, it is probable that in view of the quick redemption of the remainder of the Hawaiian coinage the quarters will also assume an artificial

value before long. United States Treasurer Roberts' instructions to the National Bank as to redemption of the coinage are to receive from the Collector of Customs and of Internal Revenue, all Hawaiian coins received by them in payment of dues over similar amounts in American coins. The Hawaiian coins received by the bank are to be forwarded by steamer to the Assistant Treasurer of the United States in San Francisco, at such opportunities as may occur, in sums of \$500 or more. Cashier Cooper is authorized to accept the best rate obtainable from the steamship companies for the transportation of the Hawalian coins to the United States treasury in San Franisco, with insurance added. Should the demand for the exchange of Hawaiian

MORTGAGEE'S NOTICE OF INTEN-TION TO FORECLOSE AND OF FORECLOSURE SALE.

In accordance with the provisions of a certain mortgage made by J. M. Monthe Estate of R. W. Holt, dated June 5, 1894, recorded Book 147, page 305, now held by Henry Smith, as successor in trust duly qualified, notice is hereby given that the mortgagee intends to foreclose the same for condition broken, to wit: non-payment of both interest and principal when due.

Notice is likewise given that after the expiration of three weeks from the date of this notice, the property covered by said mortgage will be advertised for sale at public auction, at the auction rooms of James F. Morgan, in Honoulu, on Monday, the 9th day of March.

1903, at 12 noon of said days Further particulars can be had of W. R. Castle or P. L. Weaver, attorneys

for mortgagee. Dated Honolulu, February 6th, 1903. HENRY SMITH, TRUSTEE UNDER THE WILL OF R. W. HOLT,
Mortgagee.

The premises covered by said mort-

rage consist of: All that land situated at Manlenie, District of Hamakua, Islano of Hawaii, Territory of Hawaii, containing an area of thirteen acres, more or less, and being the same premises described in Royal Patent (Grant) No. 1071 issued to Kuaana, excepting however, that part of the said premises containing an area of 1 37-100 acres, that was heretofore conveyed by said Kuaana to one Kahele, and being the same premises that were conveyed to the said mortgagor coins be greater than the supply of by said Kuaana by deed dated Dec. 2, United States silver coins, the cashier 1889, and recorded in book 122, page 173. 2459-Feb. 6, 13, 20, 27.

OF THE MULTITUDES.

ing it, we have never heard of any one who has been disappointed in it. No claims are made for it except those which are amply justified by experience. In com-mending it to the afflicted we simply point to its record. It has done great things, and it is certain to continue the excellent work. There is—we may honestly affirm-no medicine which can be used with greater and more reasonable faith and confidence. It nourishes and keeps up the strength during those periods when the appetite fails and food cannot be digested. To avoid imitations and substitutions, this "trade mark" is put on every

bottle of "Wampole's Preparation," and without it none is genuine. It is palatable as honey and contains the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypo-phosphites and the Extracts of Malt and Wild Cherry. Taken before meals it creates an appe-tite, aids digestion, renews vital power, drives out disease germs, makes the blood rich, red and full of constructive elements and gives back to the pleasures and labours of the world many who had abandoned hope. Dr. S. H. McCoy, of Canada, says: "I testify with pleasure to its unlimited usefulness as a tissue builder.". Its curative powers can always be relied upon. It makes a new era in medicine and represents the best medical advice of the twentieth century. Effective from the first dose. "You cannot be disappointed in it." Bold by all chemists the world over full of constructive elements and
